

## WEDDING AT THE TOP OF TIHANY PENNINSULA

Who wouldn't dream about a wedding by the Lake Balaton with breath taking view and wonderful surroundings?

To live this dream, besides the perfect organization a wedding needs a perfect location.

To make this day unique and unforgettable, on the 1,2 hectares garden of Villa Garda almost all dreams and wishes can be fulfilled. Setting up a large event tent, which can host 150 guests would not be an obstacle.

The authentic and stylish, buildings, the magnificent view, the park like environment, the blue swimming pool and the vineyard give an incredible environment both for the wedding and the pictures.

After the party the lucky members of the wedding guests can retreat to the comfortable bedrooms.

## **THE GARDEN**

---

Our buildings are surrounded by an impressive 1,2 hectares garden, with a heated pool, sundeck, garden pavilion and grilling amenities.

The Main Villa is located in the middle, while the Guest House lies on the southern tip of the property. The common garden stretches up until the ancient castle wall, which is the highest point of the garden. At western border of the land a small walking path leads to the breathtaking view point with views of the Abbey, the inner and outer lake of the Tihany peninsula and Fűred Bay.

At northern part of the garden lies the vineyard, which fits into the view and the feel of Balaton's wine region.

## **LODGING**

---

Villa Garda can be found in Tihany, which is one of the most popular holiday destinations by the Lake Balaton.

The jewel boxes of the old village and the Abbey of Tihany are only few minute walk away from the property.

The „Main Villa” can comfortably host 14 guests, with a large covered patio. At the other side of the property you can find our „Guest House”, which can accommodate 8 people. Our Guest House has its own authentic thatched roofed patio and wine cellar.

All year long Villa Garda is a perfect location for a wedding or just sleeping over after the wedding with family and friends.

## **THE VILLA**

---

The villa was originally built in the 1930's. On the ground floor is an open living room, with fire place, a dining-room and kitchen. This is a perfect location for a family get together.

There are additional rooms, a bedroom for two (with separable beds), one bathroom with bathtub, one smaller kitchen and two toilettes on the ground floor.

There are four bedrooms with double beds on the southern wing of the upper floor. The western wing of the upper floor, with an independent entrance holds an additional large bedroom with separable beds for two and a sofa, a smaller bedroom with a pull-out bed (160cm) and kitchenette.

## **THE GUEST HOUSE**

---

The rustic Guest House, with thatched roof and air-conditioning can be rented stand alone, or together with the Main Villa.

An open living room, fully equipped kitchen, a double bed room with its own bath room with toilette and a separate guest toilette are on the ground floor of the building.

Four bedrooms, two with pull out double beds (160cm) and two with single beds and an additional bathroom with toilette are on the upper floor.
